*Misty & family - Such a beautiful memorial video! I felt as if I was given insight to what kind of man your Dad was. Let me see if I got it right. I saw smiles, laughing, joking, humor could be found anywhere, love of his family and the simple things in life. I loved the photos of him holding, playing, and teaching his grandchildren. Forever treasures and memories for you and the kids. You and your family are in our thoughts and prayers. With love, Bonnie and Bruce Neville.*
