“ So sorry to hear of your loss. I worked with him at Schlitz and have great admiration for him. He was a very passionate man in his work ethics. Quiet gentle man!

“ Adron was such a sweet man.. he loved my little mama Wanda Allard and genuinely cared for her. We had the best talks,, sometimes he would tell me the same story again as older folks do and Mom, who had dementia would say, "He repeats himself sometimes"

. I would just laugh and say, Mom you have dementia , You are the repeater of all repeaters in Repeaterville, and then we'd all laugh and I'd say, "Tell your story Adron, I was listening .

He could get so bent.. He would say, "Nope.. I'm not telling it now, she don't wanna hear it!"

Then we'd all laugh.

Good times.

What I wouldn't give for another fudge pop with him.

Until we see you again ., Adron ,
Well Done.

I always had a lot of respect for him. More so after my wife's grandmother moved to the Gardens in Gladewater. He took care of her so well and she raved about it each time we saw her until she died. My respect grew.
