“ *So sorry for the family's great loss. As I watched his tribute video in tears of joy and sadness I see the great family man he was and how much he will be missed. I also realize he is in heaven. His love shown thru as a patient even at his worst of times he was a very kind and loving soul. Thou it is hard to care for patients that are so sick it is a joy to know that there is a God that will be with them thru it all. He was a witness to that every day I cared for him. Prayers to the family in this time of sorrow but know God was with him thru it all and he is with God now.*

“ I was happy to know Al Walker. I never heard him complain or see him frown. He always had something good to say and always had a smile. I know he loved his family and that they loved and love him. I remember when he came to my church a few times to see some of his friends from work baptized. Those guys from my church admired him and thought highly of him. I have heard them mention Al many times and it was always something good and positive. He was surely a great Christian mentor to many and a fine example for all.
