

Miss Bailee Jordan Russell

September 14, 1998 - June 7, 2016

Services for Bailee Jordan Russell, 17, of Hawkins will be held 11a.m. Friday June 10, 2016 at First Baptist Church, Gilmer. The family will receive friends from 5-7p.m. Thursday June 9, 2016 at Holly Lake Church of Christ, 3173 S. FM 2869 Hawkins, Texas 75765 under the direction of McWhorter Funeral Home.

Bailee was born September 14, 1998 in Tyler, TX to Tim and Jana Russell. She passed away June 7, 2016 following injuries and complications suffered from a car accident after being hit by a drunk driver. She was a Top Ten 2016 graduate of Harmony High School with plans to attend Harding University in the fall to become an English teacher and powerlifting coach. She was a member of the Holly Lake Church of Christ.

She loved being a cheerleader and cheering for her beloved dad and her team on Friday nights. Bailee also participated in powerlifting, tennis, FCA, FFA, Yearbook Staff, One-Act Play, and Student Council, where she served as President. One of the duties as Student Council President was making the morning announcements. Each day, Bailee welcomed the high school with, "Good morning Harmony High School, it's time for today's announcements." During her senior year, she was voted by the Harmony High School students as having the Best Hair, Best Smile, and being Most Respected. She also had the distinct honor as serving as Miss Harmony during this past year. While balancing all the many school activities during the last school year she also

was a proud employee of Brookshires in Hawkins, and was going to enjoy her summer working at the pool in Holly Lake Ranch.

Bailee enjoyed being goofy by singing and dancing with family and friends. To her family and friends, Bailee was beautiful and precious inside and out. Bailee was charming, creative, intelligent, talented, and her heart was beautiful. While she and her sister Macey were best friends, she and her mother, Jana, shared an unbreakable bond. She also loved the Lord very much.

Miss Russell is survived by her parents, Tim and Jana Russell and sister, Macey. Grandparents, Bud and Freda Crosby; aunts: Susan Crosby, Amanda Johnson and husband Ryan; and Tammy Gilley and husband Randy.

She was preceded in death by her grandfather, Bobbie Russell.

Philippians 4:8 “Whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things.”

Please visit Bailee’s on-line register book at www.mcwhorterfh.com to leave a memory for the family.

It can't as much comfort as we all wish it could be, but the residents here at HLR are hurting for those loved ones that Bailee left behind. Not all of us knew your family personally, but we all mourn with you. May God meet you in your need and sustain you always.

We didn't know Bailee but we have seen and heard alot about her. I just watched the Video and was so overwhelmed cause it brought back memories of losing

my son 1 yr ago to cancer....this is the club no parent wants to be a member of....the loss of a child no matter the age or circumstance isn't what we want. I have many prayers for your family...I know your pain and no time will heal so u need to take 1 minute at a time. Do something in her memory to always have around.....

I did not know this gorgeous Child of God, but from what all I have read, she was an awesome young lady, and yes, gone too soon for her family and friends....

I cannot begin to imagine what it would be like to lose a child. Never knowing what they would accomplish, who they would love, how many children, if any they would have...Holidays without them... The heartaches are endless...

My heart aches for the Russell's, but not for Bailee Russell....THIS GAL IS HOME..... Praise God, Bailee is home..... Heaven gained a beautiful angel....

“ *I lived in Holly Lake with my parents when I first moved to East Texas and now reside in Tyler. I didn't know Bailee but my heart hurts deeply for this family. This is such a tragedy for all families and friends involved. I can't even begin to imagine the hurt and thoughts that are running through the parents minds and those that were close to her. The only one who can heal something as terrible as this is God and only God. I pray that He fills you to overflowing with peace and comfort and in knowing that one day soon, you will see your girl once again. Rejoice that she is in Heaven where there is NO more sorrow and hurt or pain. Streets of pure gold and sights that you can not even begin to imagine.*

My deepest heartfelt prayers to th entire Russell family and friends.

“ *Gone Are the Days*

*Gone are the days we used to share,
But in our hearts you are always there;
The gates of memory will never close,
We miss you more than anyone knows;
With tender love and deep regret,
We who love you will never forget.*

*"Let it not be said my life was in vain;
I've just moved on to a higher plane,
So I can keep better watch over you,
As you move on the way you need to do.
Though my short life has reached an end,
I'm waiting for you around the bend.
I beg you-- please don't weep for me!
It's not so bad, for soon you'll see
That I will linger long past this sunset
In the hearts of you who love me yet."*

“What a beautiful girl, beautiful family. I'm living in Austria (not Australia), but I was praying for your dear Bailee after my sister posted it on her Facebook page.

My family are all from Texas and many are in Hawkins, so my heart was there with you and I know your hearts are breaking worse than they've ever broken before.

Nothing can take away the loss of such an angel in your life. I read an article written by a young man who lost his sister. He was grieving and somewhat angry with God, then one night he had a dream that he was surrounded by flowers. A voice whispered to him, "Sometimes God picks the most beautiful flower in His garden."

We who have to wait here, suffer deeply over such a loss. Our precious Father and Best Friend knows and hurts along with us, but He told us that HE IS THERE even at the passing of the tiniest bird.

Bailee is doing great, but your hearts are now broken and crushed. I wish I could tell you how I know that it won't be long before you see her again.

Bailee has just gone a little further UP the road and will be the first to greet you. I know it's true and that love that connected you here, was never broken.

"They that love God will never meet for the last time." a song my friend wrote.

I pray for you all in this hour of deep pain and sorrow and nearly unbearable grief. He is there with you and that comforts my heart here.

My prayer for comfort and peace for you:

Comforting God, You have promised that you are near to the broken-hearted. We ask that Bailee's family might sense your peaceful presence with them in these days and weeks and years ahead.

May they find comfort as they remember the happy memories they shared with their daughter. May they find comfort and glimmers of hope even as they look to the future. May they sense your arms of love holding them. Amen

“ *My heart hurts for your loss. I had hoped that the worst thing your family would go through was the house fire in 2007. As your insurance agent then, I felt like I was able to help you recover from that loss. Now all I can do is pray that you'll be comforted by the memories you will have of your daughter and sister.*

3 "And there shall be no more curse, but the throne of God and of the Lamb shall be in it, and His servants shall serve Him. 4 They shall see His face, and His name shall be on their foreheads. 5 There shall be no night there: They need no lamp nor light of the sun, for the Lord God gives them light. And they shall reign forever and ever." Rev 22:3-5.

May God bless you and your whole family in this terrible time.

“ *Bailee's time on Earth was too short but she managed to touch more lives in that short period than most people touch in a full life time. Her smile, laugh and faithful heart is what everyone will remember of her. I was blessed to be her sixth grade teacher and I will forever remember the light she brought to the classroom. Praying for you all.* ”

“Bailee was one of my best friends growing up. My very first memory of her is sitting in show-n-tell in our first grade class, learning that she was several months younger than the rest of our grade. I thought she was really weird for being so young. We got to know each other and we grew very close. I remember inviting her over countless times, but she wasn't allowed to go to friend's houses. (I was so confused as a 7 year old, because my parents were doctors and could save her from anything!) Her mother was my 7th grade health teacher. She sparked a passion in me for caring for others, which aided me in my decision to become an Occupational Therapist. When they moved away, Bailee and I lost touch. I remember seeing her posts on social media as we grew older and being so jealous of how well puberty treated her. She was so gorgeous and beautiful. I loved seeing her posts because, although we hadn't talked in years, she would always hold a special place in my heart. I enjoyed seeing her be so successful in her activities; she was such a happy soul.

I was devastated to find out about her injuries. I was even more distraught when I found out about her passing. However, I find comfort knowing that she was such a devoted follower of Christ. Her life gives me hope in the world. The fact that she lived every moment to the fullest for the Lord reassures me that God has wrapped her up in His arms, that she is no longer suffering, and that she is happy. I am so sorry that someone else's selfish decision took the life of this young, beautiful, Christian woman. It doesn't seem fair. However, we must remember that God has a plan. Bailee finished what she needed to do her, and God wanted her back. I am praying constantly for peace for the friends and families of Bailee and Haley. This is such a tragic event, and I pray God calms your sadness and that you can find comfort in Him.

“ I don't know your family. I just saw on fb asking for prayers. I prayed and then scrolled down and could not believe what I read. Your precious daughter and sister had passed. My heart aches for all of you. Why do things like this happen. Every years so many young grads pass away when their life is just beginning. I can't answer this question and only God knows why. I am not good at expressing myself but know that my gift to you is that you find peace, comfort and assurance that this beautiful young girl is in heaven. This is all of our goals and she has reached hers. Blessing deborah ellington
