“ *These things are never easy to write so with a heavy heart I extend my deepest condolences during this time. The loss of someone dear to us is never easy but the love and support from loved ones helps to bring peace. Even though there is no pain and suffering in Heaven and it is a much better place, it is still hard to let go. I loved Aunt Barbara very much and have so many memories growing up as we spent so many summers with all of you. I feel very sure Aunt Barbara and my Dad are already arguing about who will be in charge.*

*This is sent with lots of love, hugs and kisses
