“ *Until we meet again!
Those special memories of you
Will always bring a smile
If only I could have you back
for just a little while.
Then we could sit and talk again
Just like we used to do.
You always meant so very much
And always will too.
The fact that you are no longer here
Will always cause me pain.
But you are forever in my heart
Until we meet again!
I'll love you for always!
My best friend my sister!*
