“ Barbara Tefteller was my Sunday school teacher when we first moved to Gilmer. She had a felt board and little cut out figures to help tell the Bible stories. After going to the temple to do youth baptisms she came up to me crying and said thank you for being baptized for so and so, her relative. It made me feel differently about baptisms. Charles and Barbara were very kind and gave me a large bill for graduation and Charles wrote me a gracious letter of recommendation for college. Please share with the Tefteller family my love for them.
