“ *Andy and Becky, I am so sorry Miss Betty has left us. I rejoice she had such an extraordinarily long life and was able to live at home till a very advanced age. I know what it is like to lose your mom and my prayers are with you. I am so sorry you didn't hear from me sooner. About the time your mom passed, my two beloved little dogs died three days apart and I also was overwhelmed with newspaper work and simply failed to come to the visitation or funeral, which I regret. Cherish the memories of Betty's long life. I remember talking to her on the phone when Joe, my classmate and childhood friend, died suddenly at age 50 and I know that must have been devastating to her, but she lived on productively for 21 years afterward, which is so admirable. Becky and Andy, peace to you, my friends.*
