“ My memory of Betty Sue is all of the stories that Janette use to tell me about her and their adventures. I felt like I knew her before I ever met her. The grief that we share with her family is beyond belief and our hearts and condolences go out to Lori, Tracy and Rodney for this loss. She was an exceptional woman who loved life as much as possible and loved you all tremendously. She never missed a chance to update us on each of you throughout the years we knew her. Have known Betty since my young teenage years. We attended church together at Coffeerville Baptist in our younger days. I have many wonderful memories of her and have prayed for the Lord to give her family comfort during these difficult days.
