“ I only met him on a few occasions over the years but he was kind and personable, talking casually those few times. I'm so sorry for your loss and sending a lot of prayers your way for peace and comfort.

“ *He will be greatly missed by all of us from Clarksville City. He was more than just an inspector for the city he was a friend to all of us. I will miss the conversation that we had when I called him. He was always a call away when I needed him for questions or just need an answer to what the citizens were asking. I was always asking when his next cruise was and look forward to hearing all the details when he got back.*

Billy Morgan you will be missed. Last time I saw Billy he told me he was retiring in April of 2021 and planned to spend all his time with his wife and grand kids. He was a wonderful inspector and friend. The last thing he told me as he was leaving was stay safe. Like I said you will be missed.
