“ I was privileged to meet Ms. Bocca spring of 2003... ever since I've watched this Saint stay true to her faith. Even in her hard times she still shined with the light of Jesus. I'm now 52 and am still saying I want to be the Christian the she is. Well sweet lady I'm going to continue that legacy with what time I have and show everyone Jesus. Love you always sweet Lady. You'll always be my testament of what true faith looks like forever
