I worked also with Bonnie at the Brewery in Longview and so many memories I don't know where to start! We had some fun times and the ladies break room was a gathering place for stories and how our lives, ups and downs were going over the years. We kept in touch after the plant shut down with daily activities and health issues. We knew Joe who was a part of her life along with her children. I remember selling her a car I named Rusty after I had driven it to work for 10 years and her son drove it around after me! We had some good times together and will miss getting to talk to her on the phone about our lives. My handle was Rawhide and a lot of men did not know anything else except "Rawhide". My prayers are with all of family and loved ones. I already miss my friend Bonnie from the days of Schlitz to Stroh Brewery! Rest In Peace, Betty Holitzke (Rawhide)

“ *Bonnie was one of the most compassionate persons I’ve ever known. She loved helping and serving others and was at her best when she could cook and prepare meals for someone else. And, she did it regularly. There are many, many people, including me and my family, who were beneficiaries of her acts of kindness.*

If Bonnie knew I was coming home for a visit, she would have a pan of chicken and dumplings on the stove at my parents’ house waiting for when I arrived. She made the absolute best chicken and dumplings! She knew how much I loved them—they were my favorite.

I’m going to miss visiting with Bonnie and talking about family history and Enoch (our little community) history and poring over old photos together. Although she will be missed here, I am sure she is having a wonderful reunion right now with loved ones who had already passed from this life.

“Our second Mother.” That is what Lana and I affectionately called Bonnie. We were truly blessed the day she took us under her wing and we love her very much. We are so very thankful for the times we had, whether if it was going to Mt. Pleasant with her and Denise to eat catfish, or sometimes it was just Bonnie, Lana and I. Or, taking her to Longview to buy groceries, or just visiting in her home. But, you didn't just visit. Bonnie insisted on cooking for us. We loved her vegetable soup and cornbread, homemade cookies and sweet potato pie! And her chicken n dumplings were just like Mama's! It made us feel kind of bad, though, because she did all the work! When you were in Bonnie's home, you were her guest and she didn't want you lifting a finger. I have to admit that I sometimes would slip off into the kitchen and wash dishes when she had her back turned. She soon learned I was pretty stubborn myself and she would then work beside me. Other than our own Mother, Bonnie was the most loving, compassionate, charitable woman we know. She prepared countless dishes to take to those in need. Bonnie loved her family dearly and nothing made her happier than cooking for them and being in their presence. Lana and I know, with all our heart, that Bonnie is now having the most wonderful reunion with Robby, Denise and Bobby, her parents and other loved ones who have gone on before. What a sight it would be! We loved being pampered by Bonnie and we will treasure those memories always! A day with Bonnie was a very good day! You always knew you were loved! Until we meet again...
