“ *Mrs. Dotson was one of my most beloved teachers in bigsandy. She always put us students first and always had the biggest smile every day. I remember during the winter she would keep carmex in her desk for all of us to use so our lips wouldn't be chapped. It was a small act of kindness, but little did she know that that little act meant the world to me as my family couldn't afford small things like that for us growing up and her having that really helped me in many ways especially knowing that someone cared of my well-being. She will forever be missed* 🧡🐝

“ *A sweet and loving person who never gave up on teaching a child to learn. Many memories shared as a team teacher with this lady, but the one that comes to mind most is her leading us to our weekly Pep Rally singing "Every Where We Go." You are missed here on Earth, but now Jesus has a new sweet voice in Heaven. With love, Dell.*
