“ *My memories of Brent are mostly from 30 years ago when I met him at a church dance in Longview. He was friendly, polite, and a great dancer! We were friends for several years and then life drifted us apart. I was so excited to see him on Facebook years ago, and seeing the happy man, husband, and father he was put a smile on my face.*

I've never forgotten what an amazing person he is, and am so sorry he is gone so soon. M

I remember when Carly and Kiera were going to Gilmer and Brent would be in the car pick up line and I would be in the line waiting and he would start calling me with his prank calls. He always had me laughing. Gonna miss this sweet funny guy.
