

Bubba Wetzel

November 26, 1964 - November 5, 2018

Funeral services for Bubba Wetzel, 53, of Pittsburg, will be held at 10:00 a.m., Thursday, November 8, 2018 in the chapel of McWhorter Funeral Home with Bro. Gary Dotson and Bro. Tim Parker officiating. Interment will follow at Yalla Bush Cemetery. The family will receive friends from 6:00-8:00 p.m., Wednesday, at McWhorter Funeral Home.

Bubba was born on November 26, 1964 in Winnsboro, Texas to Raymond and Carolyn Marie Overstreet Wetzel and passed from this life on November 5, 2018 in Tyler, Texas.

Bubba was one of a kind. He loved his family, country and was proud to be a Wetzel! He will be missed by many and our lives are forever changed. Bubba taught us a lot in the last few hours of his life. I learned that no matter how broken or shaken our lives have become God always opens his arms and welcomes us home when we accept him as our Lord and Savior. He is living it up in Heaven and was greeted by so many that had gone before him.

Bubba is survived by his son, David LaRue and wife Ali; daughter, Danielle Attaway; grandson, Dillon LaRue; brother, Gary Dale Wetzel; sister, Virginia Pearson; his parents, Raymond and Carolyn Wetzel; and by his grandmother, Talma Overstreet.

Pallbearers will be Danny Watkins, Carl Nelson, Mike Umbaugh, Mark Glexner, Graham Orr, David Raley, John Doubt, Wayne Williams and Greg Davis.

Honorary pallbearers will be Koe Wetzel, Aaron Pearson, Chad Pearson,

Anthony Nelson, Reese Nelson, John Thomas Dieshler, Heith Mitchell, Milton Earl Wetzel, Jeremy Byrd, Kody Keith, Mike Powell, Kerry Powell, Johnny Wetzel, Jr. and Billy Wetzel.

Brother, I will never forget the years we spent hanging out in the 80s and 90s... The infamous never ending road trips. Memphis, Boston, New York but the fondest memories have to be fishing the San Juan in New Mexico. I just learned that you have passed. My thoughts and prayers are with you and your family. Rest in peace, my friend.

“ Bubba,Ronnie Yates and myself were all at lake fork fisng,about 20 years ago,it was a hot summer day,and Bubba and myself were fishing in a flat bottom boat,Bubba had taken his shirt off to fight the heat.I noticed wasp flying around landing on stumps and even the water,I guess to quench there thirst.Right away I said something about the wasp to make Bubba aware so he wouldn't get stung.As I was fishing, I noticed Bubba was extremely concerned about the wasp, so when he wasn't looking I took my plastic worm I was fishing with and ran the worm along side his back,now this occurred not long after I had warned him about all the wasp flying around landing on the water.The minute I touched him with that plastic worm,Bubba looked like he was break dancing,he thought a wasp was on him,After his dance,he accidentally flipped the boat, needless to say all our tackle and gear went to the bottom of the lake,and we paddled back to shore with our hands.

“ I knew Bubba through the VFW in Pittsburg. I didn't know him well and we were beginning to build a friendship. What little I knew was his love for family, friends, and his country. He will be missed! He had a rough exterior, but a kind soul.....
