*I will always love you Carlos,  
..My only regret is that if I had known that the last time I saw you, would be the last time I saw you...  
I would have hugged you a little tighter, more often than I did.  
I would have told you I loved you a little louder. Louder than I ever did..  
and stayed by your side this whole time.  
My mind knows that you are gone, but my heart will never accept it.  
I MISS YOU SO MUCH.  
R.I.P Carlos Jones I love you. "Wee"*

“ So sorry for the loss of your loved one 😞😞 Carlos and I were classmates at Foster Middle School where he was a straight up clown 😄😄 Had so many fun times with Carlos and there was never a dull moment!!! After middle school I didn't run into him again until about 10 years ago in Kmart and we remembered each other after all of those years!!! He was still a clown and had me cracking up even then!! Never saw Carlos again after that but never forgot him and never will. Rest in love dear friend 🙏❤️.
