“ Carlton is my cousin. I have not seen him since I was a child. I happened upon this obituary while working on family research. I was much more familiar with his parents. My Uncle Carl and Aunt Leola were a large part of my childhood. This makes me sad. I hope he rest in peace. My blessings to his family.

*I couldn't get it to post so I'll try it here.
Grandpa I miss you so much.
I hope you found your peace and are now with grandma and grandpa.
Mom made sure we visited when we were younger and as I got older I wasn't able to visit as much. Most of my memories are my childhood. Those are the ones I share with my children. I realized that I won't get a card from you this year.. every year I can remember I got a card. One year it was flowers and a bear from FTD.. I think I still have that bear actually. I've been called a pack rat but I have kept every birthday and Christmas card you send. I will hold them closer this year... I miss grandpa and grandma so much, and now I'll miss you. I have pictures that I will cherish and display around the house. 💔*
