“ *Carson was absolutely one of the most respectful, well mannered, hard working and over achievers that i have ever been around. He was so polite and so intelligent in school and always made it a point to shake my hand, or even give me a hug, with that little grin he always has. Carson Barber exemplies what being a Gimer Buckeye is. I am so sorry for your loss. Please know myself and all of Gilmer High School, is praying for you and we love your family. Carson was such a special young man.*

“ Robert enjoyed the times he spent with Carson fishing at Lake Bob Sandlin along with Dylan. He spoke of what nice, well mannered boys they were and he was proud to be accepted by them as a fishing buddy. We are deeply saddened to hear of Carson's tragic accident and we send our love and prayers to his loved ones as they grieve.
