“ *Cassie and I have many, many memories together over a span of 32 years, she's the real deal, what you see is what you always got! She was not bashful, and alot of fun, very spontaneous, and a wonderful free spirit, always willing to help anyone, at anytime, with anything. We always stayed in touch, through the years , no matter what. She loved the old Casa Ole restaurant, we called it Cassie Ole! You just couldn't separate her from their green sauce! And the many garage sales I had to stop at, lol, she was a one of a kind! I'll always love you and miss you.*

“ Cassie was a very kind soul. We had lost touch for a while as our lives went separate ways. But I have some great memories. If she came to visit and our blue heeler was outside, he loved to ride and would always go home with her for the day. He loved Cassie but what animal didn't ♡ and a funny memory to show her silly side; she took our baby Jesus from our nativity scene one year. My husband searched hi and lo because it was his grandparents who had passed. She brought it back the next day. He was very happy to see that baby ♡ Cassie would light up the room wherever she went. She will be dearly missed..

“ I’m sure going to miss the last minute late night rides with you Cassie. You truly are an Angel in disguise. Whenever we needed anything, it never failed for you to stop by and either ask or offer what we needed. You never failed to always have a toy for Dax either. Your kind and generous big beautiful heart will forever be missed and I’ll definitely miss getting those frappes with you every day lol. I’m truly blessed to have known you and called you my friend and sister. Rest easy hun, we love you and miss you!

Although, I just met Cassie once. I have know members of her family for years. There will be a void in their lives , that will in time will be warmed ,with special moments.
Like, celebrating daughter Carlie's 18th birthday. A picture of this was shared with me. That joyful look on her face, that will be how I will remember, Cassie.🌸
