“ I remember staying at her house in San Angelo! What a wonderful Woman of God! She truly worshipped the Lord with everything that was in her. She lived as a vessel that God could use anytime, anywhere!

I will never forget the late night conversations with her. After Aunt Joanna and Travis left this world, we would talk for hours! She always revealed her heart to those around her! Her strength and commitment was what stood out to me the most!

She was an outstanding Woman and she loved her family! I think of what King David said when he lost his child (paraphrasing it) “I can’t bring her back here but I can go to where she is going”!!! She lived a life that showed the way to Heaven, where we can once again be reunited!!!

“ I remember how when she prayed you could feel Gods presence in the place. I loved hearing her sing What a happy day and It’s my desire. She had a desire to live for Yahshua. I will miss calling her when I need advice, spiritual or life, I just loved talking to her because she never judged me or anyone. She loved everyone and if you needed prayer she would always pray for you. Thank you Aunt Nean for being the prayer warrior and loving person you were. You will be missed. I love you to Heaven and back.
