“ Cecilia came into my life when I married her cousin, Juan. She was always a sweet Angel- always smiling, laughing, accepting, comforting, a good listener and giving in any way she could. She truly grew closer to the Lord by giving to others and sharing herself with those who needed her kindness and support. I enjoyed being with her the few times we could get together especially when we would visit at her family home or go out to eat. She was so sweet as a loving cousin babysitting our first son with her wonderful mother, Tia Belen, when I worked. Every day I will have a great memory of our Wonderful Angel, CC.

“ I had so many fun sleepovers, Mexican bingo and black eyed peas on New Years Eve. I thought it was the coolest thing when Cici showed me she could do the splits! I loved getting to go through her perfumes and trinkets, doing stretches with her, dancing. Football Sundays with everyone at the house and yummy snacks. She loved her little yorkie Poochie! Her smile always made you feel at peace. The funniest memory is when she had her cataract surgery done and told my husband she knew he was nice looking but didn't realize how handsome he was till now since she could see, just kept smiling at him. I had no idea her vision wasn't clear. She rarely let on to feeling bad and just wanted to know how you were and what was new,  
I felt so loved by my Aunt Cici and so glad she was at my wedding and able to see my two little girls. You will be greatly missed and we love you!
