

Charles "Chuck" Vettters

October 5, 1941 - November 1, 2022

Chuck passed from his earthly life to his Lord, Jesus Christ on November 1, 2022. He was a beloved husband, father, gramps, uncle and friend.

Born on October 5, 1941, in Houston, Texas to Truman and Irene Vettters. He was reared by his mother and stepfather, Robert and Irene Sorenson.

Chuck graduated from Milby High School in 1960 with many good lifelong friends. He went on to graduate from the University of Houston receiving a BS in Mechanical Engineering. In 1968, he went to work for Dow Chemical for the next 28 years. He was loved by his colleagues, and they affectionately called him "the resin man". He retired as a lab director in 1995. Being a lab director allowed him to travel the world. After retiring from Dow, he went to work for Merichem in 1996 and retired in 2002.

Chuck met the love of his life, Cindy Parker in 1960. They were married on January 31, 1961. They had two children, Charles Vettters, Jr. and Anna Beth Vettters. Chuck loved being a husband, father and gramps. Being together as a family was important to him as he spent time coaching baseball, going fishing, and attending kids and grandkids activities. Chuck spent many hours playing golf and his patience was a key asset for him. He was also a huge Astros fan and he seldom missed a game.

Chuck and Cindy were blessed to have 61 years of marriage. Lifelong partners that loved to laugh, travel, raise kids, love on grandkids, enjoy a good meal, and spend time with friends. Words used to describe Chuck by family and friends were integrity, compassionate, patient, kind, humble, generous,

and consistent. He possessed an incredible ability to understand someone else's perspective which made him respond lovingly versus critically. Chuck was always the same no matter the circumstance or stress level. No matter how sick he was, he never complained, always greeting his caregivers and nurses with, "I feel wonderful." Love always radiated from his beautiful blue eyes and from his smile. His faith in Jesus allowed him to live out these qualities every day.

Chuck was preceded in death by his father, Truman Vettters, his mother, Irene Sorenson and stepfather, Robert Sorenson, his father-in-law, Clayton Parker, his beloved mother-in-law, Lucille Parker, and his partner in crime, brother-in-law, Charlie Parker.

Left to cherish his memory are his wife, Cindy Vettters; son Charlie Vettters and wife, Deana; daughter, Beth Vettters Miles and husband, Bo; Grandchildren; Trey Vettters, Noah Miles, Luke Miles, Patrick Miles and wife, Stacy; great-grandchildren, Finn and Everly, and numerous nieces and nephews. Also, his former daughter-in-law, Lori Sherman.

Our family is forever grateful for his loving caregivers, Barbara and Donna. He looked forward to seeing them every day as they cared for him above and beyond their call of professional care and love. We are also thankful for the loving care provided by Heart to Heart Hospice through Liz, Stacy, and Magda.
