“ *My heart goes out to Christan's family. Christan was one of the sweetest guys I knew. From just being around him for YSA activities, I could tell that he really put others first. He had a heart to help and I hope and pray that his legacy will live on. I'm shocked he's not here physically anymore but I'm so thankful to know that we will be able to see him again. Prayers* ❤️❤️❤️

“ Christian, we spent a lot of time talking and laughing at the bank. You are a sweet person with a heart as big as Texas. You have gone too soon from this earth. Your whole life was before you. The Lord must have different plans for you to be taken so young. I pray for comfort for your family and friends. It is difficult to let a young man go to heaven in his prime. God bless your family. You will be greatly missed. Until we meet again, Mrs. Kim.

“ *Christian* was an absolute joy to have and be around. He would come over for dinner and have my infamous *Giovanni's*. He knows. Lol. And *Crumb* cookies were the finishing touch. He would say “*Ms Sherry I'm so full.*” And always a thank you so much. He was a friend to so many. *Christian* thank you for being a light in this dark world.

“ *I'll never forget when we took Christian to the silent lord's supper for the first time. He had never been before and we had been talking about the lord's supper for a few weeks and going with my family. Then when the time came we enjoyed the service and right after Christian goes " Man.... I sure am hungry I thought we were feasting at the lord's supper". Immediately my brother and I started rolling laughing but all worked out because he also joined us for our traditional chicken and noodle soup for dinner. I'll never forget the amazing memories we shared and I wish everyone had the absolute pleasure of meeting Christian Norris.*
