“ *Dee Dee was a very sweet and great friend to me in school. She was a very caring person and I am very glad that I got to spend time with her. wish I could have got back in touch with her early but the time I had with her was great. I know the family will miss her dearly but she is not suffering anymore. I know within my heart she is in heaven having a glad reunion day with her family and friends that are there with her. “ *There are angels on earth and you were one of them. I never saw you without a smile it was infectious. Your loving and giving heart touched many people. This world would be so much better if there were more people like you in it. I'll watch for the sun to shine because I know it will be powered by your smile. Rest easy sweet lady and continue to keep watch over those grands. Prayers for your family friends and everyone that ever had the chance to know you.
Love you

“ I’ve been your friend since 8 th grade and married into the Anderson family as your cousin for over 46 years. You were the kindest and most giving person I’ve ever known.

We have had so many wonderful years riding 4 wheelers in Oklahoma and Arkansas and many great family and friends gatherings.

I know you are reunited with Shawn and you are very happy and pain free now.

I will love you forever and miss you so much.

Until we meet again.
