“ I am very sadden to hear of her passing, I knew her from being friends with her sister Carla while they lived in Spokane Washington. She was a bright star and I remember those times as a special light of my pass. She will be missed. Love and prayers to her family. Sarah (Scott) Nelson

“ Dana and I were best of friends until I moved away in 1998. We went on a cruise together. I was a hair dresser and worked for Matrix. When I was in town, I would spend evenings at the Levee just to see her and get a goid Long Island tea. We looked alike and had convinced everyone we were twins, as our birthdays were only weeks apart. She was a beautiful soul and I was thrilled when she found Frankie because she always desired to be a wife and find real love. I had just found our cruise pictures a few weeks prior to hearing the news. So many fond memories with her. May the peace of The Lord fall upon her family.

“ *To all of Dana's family, she was one of a kind, a sweet soul...met her through my husband, we became friends and she was my hairdresser until she made her big road trip, before she married Frank, we did a few short road trips to Dallas for fun, we didn't hang out on a regular basis, but when we did get together it was always a good time! Joe and I will miss you....love from Joe and Sonvya Duncan*
