“ I met Deanna when I was a child. I remember going to visit she and Johnny , in Goodrich. Lots of great memories.

Most recently , we were both diagnosed with almost the same cancer as well as the same prognosis. She was informed shortly after I was. We have have talked to and checked on each other for some time now. Not going to lie, I'm sure going to miss my battle buddy. Something about just checking on her and hearing from her brought me some kind of peace.

I know she is happy and healthy today. Getting to spend her 1st Christmas with The Lord!! Reunited with her love, Johnny. This brings peace and comfort to my heart. I hope it does to her children and grandchildren in the days to come.

Rest easy Deanna. You will be missed!
