“ *I grew up knowing Denise every summer I would come and visit my Uncle Tedd & Aunt Jeannine! We would go to the skating rink! Play whenever we could! And she would have sleepovers and they used to scare me to death with all those urban ledgens! I was so scared when I got my first bed as an adult, it was a waterbed so nobody could get under my bed! I loved her very much and was just getting to know her as Adults! She was always fun and kept a smile on my face when she wasn't scaring me lol! She will be greatly missed! I'll miss you girl!*
