“ There are way too many memories to share. We became friends the second day of first grade and were pretty much inseparable all our school years and beyond. Wish we could go fishing one more time. The Conleys became my second family ❤️

“ My condolences to the Conley Family. Dennis was a good friend and running buddy in our Pleasant Grove neighborhood when we were growing up. We attended the same three schools, BH Macon Elementary, Fred Florence Jr High, and H Grady Spruce High School. He was one grade behind me. As adults he and I used to on occasion walk the two mile track at Crawford Park for exercise. May he rest-in-peace!
