“ Please accept my condolences for the passing of your dear loved one. When someone we love dies, the heartache and grief can be great. I hope that you can be comforted knowing that God cares for you and sees your pain. (1 Peter 5:7)

PS

“ The main thing I remember is that he was very concerned that Shauna his special needs daughter be taken care of and live a safe and happy life. I think he finally gave that over to God. I told him we would have to let God handle this as it was out of our hands. I pray he will watch over her from his new home with Jesus.

PS

“ Dennis drove Cathy and family down to E Tx for our 50th anniversary and they were both battling cancer and it was such a long trip. Wish they could have stayed longer but I'll always remember his good deed. I've known them since about 1969 and we lost touch for years. I pray that God will bless the family and give them the strength they need to get through life without him. I love you Cathy and your little family.
