“ Always talking about fishing and/or football
Gonna miss him talking smack about the Cowboys and J.J. (like the rest of us) even though it's our team
Miss going to the independence bowl and eating good food in Shreveport
Will miss going fishing at twin lakes with him
He loved loved all his kiddos and theirs, and so forth
Gonna miss you down here guy!

“ I have a lot of fond memories of Don. We spent several days and nights together going to the casinos, spending time together at McDonald's, and just hanging out. I remember when we would go to a casino Don would always have one of his little cigars. If there was a slot machine he wanted to play and someone else was on it he would light his little cigar and puff on it until the people moved on.. I never told Don but they did smell bad! Lots of good memories with Don. He will be missed.
