“ *I'm so sorry for the loss of such a sweet lady. She was one of my grandmothers friends as well as her sisters. My grandmother worked with Velma and I knew her for years she was a little firecracker. Miss Doris was something else as well. I heard many stories over the years about the sisters and friends from her and Velma. I know my Mamaw and Velma was there to greet her and welcome her home. Rip Miss Doris and tell Velma and my Mamaw Jimmie Pearl Teames hello from me*

“ Doris was the "Queen" 👑 of the Enon Community Center for so many years...we will miss her laughter and competitive spirit, her stories and photos of the great-grandchildren, and her home - grown, garden fresh veggies that she often shared. Thanks be to God for all the healthy, happy years that Doris shared with family and friends.

“ Doris (Nanny), Michelle, and I had the nicest visit last Thursday afternoon. She was happy, very lucid and having a good day. We visited and laughed and cut up and while I was there she informed me that Michelle was going to take her outside to see her tomatoes that evening. She was so proud of them! I'm so glad that we had that time spend together.
