“ Glenn, you and your family are in our prayers and thoughts at Mrs. Dorothy's passing.

Her death is much like when a library burns to the ground. She had so much information about this area and its history. She once shared a picture of Rhonesboro in the early 20th century when the railroad ran here and several businesses lined the main street that is now FM 1002. She could name the businesses and their owners and pointed out to me the general store/post office which was owned and operated by my great-granddaddy Wilson Johnson. I had heard family stories of this, but she brought it to life as she could remember this from her childhood.

May God fill your vacancy with His tender love and mercy.

Brotherly,

Charles Johnson

Glenn, I am so sorry to hear of Dorothy's passing. I sure have missed her these many months that she's been sick. We have had such conversations & visits over the years. She was a good friend & cousin to me. She can now rejoice with loved ones and finally meet & place all those that we eluded our search over the years, though I can assure you there weren't many.. All of you are in my prayers.

Glenn, It is with heavy heart that I heard of Dorothy's passing. Of course I've known her all her life, a dear cousin who was always "right down the road" during my growing up years. Daddy and Uncle Carl were never far apart. What a joyous reunion they must all be having in Heaven.

*Love and Prayers,
Edwinna*
