“ *Mrs. Bray was the sweetest lady. I worked with her at Gilmer Hospital when I was a VOE student in high school. Even after graduatio, I would see her in a store or around town she would always remember me and we would stop and talk for a while. She was the sweetest, such great memories of her and all the laughs we had so long ago.*

Beth was more like an older sister than a cousin. I always looked up to her and enjoyed her company. We have lost all our aunts and uncles, her brother JC, Barbara Jean and now Beth. The family will miss her greatly.
