“ *Sorry for your loss. I met her at Tyler Commercial College. We both went there in 1977 - 78. I did not see her but pass in shopping from time to time. Did think about her from time to time, when I thought of my time at Tyler Commercial College (which does not exist anymore).*

“ Fonda and I became friends when she went to work at the tax office. I hadn't been working there very long. I found out that she lived at Pritchett, just about a mile from where I lived, so we knew some of the same people. She was so sweet and very caring. She was always worried about her husband , Allen, because of his medical issues. I could always talk to Fonda about anything. I will miss her greatly.

“ So sorry to hear of Fonda’s passing. We were very glad to get to visit with her last year on her trip through Santa Fe. I will always have a memory of the lovey youngest cousin who was so treasured by her family.

“ Fonda was such a sweet and gentle soul, We are sorry to hear of her passing. My sister Carolyn and Rita were good friends and I was introduced to Fonda through their friendship. We started by being pin pals. I lived in Dallas at the time. We were young girls. I was impressed by her determination to accomplish things made difficult for her because of health issues. She always had a beautiful smile and such a good attitude.. We got to meet and spend time together when I was invited to her house to spend the weekend. We were ages 11 and 12 and we had a great time listening to KLIF on the radio, being chased by the geese and just talking and talking and talking! We continued writing each other until we both got married and then lost touch. She brings fond memories to my mind that I will not forget. With love, Anna Ruth Gregory, Wilson.

“ *The memory that keeps popping in my head is of her about 5 years old & I was 14. I would get off the school bus & have a long walk home all by myself. I would look up & she would be running to meet me. Of course I would usually have a penny candy for her. Rita Faye*

I haven't seen Fonda in a very long time, but my memory of her is always being so sweet, kind and soft spoken and always with a smile! We occasionally ran into her and Alan out for lunch in a Sunday afternoon. Mitchell and I are praying for you, Alan, Alaina and Randall and your families; that you will be comforted with His peace!
