“ I have finally quit crying so I wanted to get on here and tell everyone what a wonderful and beautiful person my Aunt Ruth was. She stepped in when my mom Faye passed away. She will be greatly missed. I enjoyed my visits with her. Kim let me speak with her the last time she was able to talk and I told her "Aunt Ruth it's Tammy" and her last words to me were " I love you, I love you, I love you. I will never forget that. To her family you all also have a very special place in my heart. I practically grew up with you. Aunt Ruth and my mom we all lived together for a while and when the two of them fought they were like little kids again. They would stay mad a little bit and then act like nothing happened. This isn't enough room to tell of all the wonderful memories I have with you all. I'm so sorry I wasn't able to make it but the nurse just thought the ride would be to long. I have watched the service on here and it was beautiful. I love yall.
