“ This still feels like it’s all a bad dream. Gail was a great friend. To my Mom, and to myself. She was a very kind person that loved her family very much and also her friends. You could tell her anything and she would hold it sacred you could rest assured. I will definantly miss her, her beautiful smile, and her words of wisdom and friendship. I know you are rejoicing now with your loved ones and all the many friends you have that “beat you there”. We will see each other again. I love you and RIP! Praying for all of your family for peace and comfort.

“ Mrs. Gail and Bro. DR kept Kevin and I for a week when I was little when Momma and Daddy were gone to the BMAA Natl Convention. The week was so fun and she let me "drive" for the first time with her doing the pedals. Sweet memory with her! Her smile and laugh fill my memories of her. Such a truly precious spirit. Sending love, hugs, and prayers for u guys.
