Glen was such a Great Guy. He loved his family and he always had a big hug for us. He had the sweetest heart and he would help anybody that needed help. Rita and I went to school together and when she married she had 2 little boys. They were about the cutest little guys in town. We watched Glen grow up and we loved him. He thought of us as family and he will always be part of our family. Glen, I know how much you loved Little Robbie, I mean, how many Uncle's do you know that gives their nephew, a baby doll for his birthday, every year !!! I truly thought your Mom was going to get you at Little Robbie' 3rd Birthday party. We were all laughing. (That was the highlight of Little Robbie's Birthday Party) I pray , you know just how much Little Robbie loved you. His love for you is right next to his love for his Dad. We will miss you until we meet again. Lorece and June Phillips

“ Mock was my favorite brother in law...he has always been there when we needed him. Sutton named him Mock-when trying to get him to say “Uncle Glen” as a baby, it just came out “Mock.” It stuck. There was a time he lived beside us and always offered to babysit Sutton and I know he learned a few things from Mock. I will never forget the Spider-Man Mock “won” for Sutton. During evacuation of the Rhonesboro fire, this was the one thing Sutton chose to save. There are so many stories I could tell...
Glen is near and dear to my heart and life will be sadder without him in it. Rest In Peace Mock...❤️
