“ Sorry to hear of Glenn's passing. He worked for me many years as a contractor when I owned a real estate company. I could always depend on him to do a great job, and he was completely trustworthy and reliable. Over the years our business relationship became a strong friendship. I will miss him and his positive outlook on life. My thoughts and prayers go to Peggy and the rest of the family. God bless you all!

“ I was sorry to hear of Glenn's passing. I worked with him at Brookshire's when I was in high school. I always enjoyed visiting with him when our paths crossed. When he did some work at a house that we had just purchased, he brought our 6 year old daughter a birdhouse that he had made and painted to match our house. we still have it on display because it was " too pretty" for the birds. I will always think of Glenn when I see that "too pretty" birdhouse.

“ *This was or is my favorite uncle, he was always there when me or anyone needed him. Remember spending summers in Carthage when I was in junior high. A practical joker at heart, but that heart was BIG. Heaven called him home for a reason, we do not know why, only the Lord knows that answer. See you someday Uncle Glenn. Love you!*
