“ *When we moved up here 9 years ago, he just knocked on our door one day and said the Lord told me you needed furniture and I am getting a new living room set would you like to have the old one. He even had the people deliver it to our house. Another day I looked out my window to see him checking out all the mole hills in our front yard, he came back later and did something to them to try and get rid of them. Anytime Ron needed a ride to Church all he had to do was call him and he would stop by and pick him up. He will be missed by our family greatly.*
