May 23, 1937 - May 7, 2025

Funeral services for Henry Jackson, 87, of Gilmer, Texas, will be held at 12:00 pm, Saturday, May 17, 2025, at Redemption Worship Center with Pastor Gabriel A. Griffin, Sr. officiating. Interment to follow at Zion Hill Cemetery. The family will receive family and friends 5:00 pm – 7:00 pm, Friday, May 16th at McWhorter Funeral Home.

Henry Jackson was born May 23, 1937, in Marksville, Louisiana. He was the fifth child of Rogers and Lee Elder Williams Jackson. He passed from this life on May 7, 2025, surrounded by his loving family.

Henry, who was the youngest of his siblings, grew up in Algiers, a suburb of New Orleans, Louisiana. At an early age, he accepted Christ as his Savior and was baptized into the fellowship of Greater Providence Baptist Church of Algiers.

He attended New Orleans public schools and earned his high school diploma from L. B. Landry High School in 1954. Nicknamed “Sweet Peas,” by his friends, Henry’s athletic prowess on the football field earned him “All-City” and “All-State” honors and scholarship offers from several Historically Black Colleges and Universities (HBCUs). After weighing his options, he decided to leave his beloved “N’awlins” and head to Texas.

In the fall of 1954, Henry enrolled as a student-athlete at Texas College in Tyler, Texas. There, “Sweet Peas” continued to shine both on and off the field. His talents as both an offensive and defensive end earned him small college “All-America” and All-SWAC (Southwestern Athletic Conference) honors.

Additionally, he lettered in basketball and was initiated into the Sigma Omicron Chapter of Omega Psi Phi Fraternity, Inc. in 1955. Following his passion for coaching and teaching, Henry received a Bachelor of Science degree in Physical Education with a minor in General Science. After graduating, Henry was presented with an opportunity to play football professionally; however, he elected to serve his country during wartime and enlisted in the United States Army. Following basic training, he was assigned to "Special Armed Services," in Fort Sheridan, Illinois, where in 1960, Private First Class (E-3) Henry Jackson was awarded the Good Conduct Medal for exemplary behavior, efficiency, and fidelity. In 1961, he was honorably discharged from the military upon completion of his tour of duty.

That same year, Henry returned to Texas to marry his college sweetheart, Shirley Faye Hargest Jackson and begin his teaching/coaching career at Ralph J. Bunche High School in Crockett, Texas.

After serving for eight years at Bunche, Henry went to work at Emmett J. Scott High School in Tyler, Texas. Then, when schools integrated, and Emmett Scott High School closed, Henry was assigned to work at Robert E. Lee High School (now Texas Legacy High School) in Tyler, Texas. During this time, Henry and Shirley celebrated the birth of their first child, Karen, which fueled his desire to work a little closer to his home. So, when the opportunity to teach PE and coach in Gilmer presented itself, Henry became a Gilmer Buckeye. He and Shirley welcomed their second child, Henry Kendall, and Henry enrolled in graduate school at Stephen F. Austin University in Nacogdoches, Texas. There, he earned his master's degree in education and his principal certification. Subsequently, he served as an assistant principal at the junior high and high school campuses, respectively, and coached his junior high Buckeye teams to numerous championships while working as a position coach with the high school teams. The only person who could coax Henry away from Gilmer was his best friend and coaching buddy, Ed Kendall, who'd become the superintendent at Pittsburg ISD. In Pittsburg, Henry initially served as the high school principal and years later, concluded his 40+ year

career in education by teaching students how to pass the math portion of the state-mandated exams.

When Henry was not teaching and coaching, he was working in the community and in his church, Zion Hill Missionary Baptist Church, where he was ordained as a deacon in 1979. Over the years, he served as the church treasurer, Men's class Sunday School teacher, and layman's ministry chairman. He was on the board of the Upshur Rural Electric Cooperative (URECC), president of Eta Chi Chapter of Omega Psi Phi Fraternity, Inc., and chairman of the Northeast Texas Layman's Movement.

Henry was preceded in death by his parents, Rogers and Lee Elder Jackson, brothers Joseph (Delores) and Rogers (Rebia), and sister Emma Jackson Thompson (Perry). Those left to cherish his memory are his wife, Shirley Jackson; daughter, Dr. Karen Jackson Bradberry; son, Coach Henry Kendall Jackson (Shovette); sister, Elizabeth Jackson Baldwin (Benjamin); grandchildren, Coach Ryan Bradberry (Morgan), China, Kendall Jakarius, and Keegan Henry; great-grandchildren, Phoenix, Raedyn, Arie, Kaison and Royalty; and many nieces, nephews, and other family members.

“ I have many memories of the Jackson family — working with Shirley, watching Karen and Kendall grow up, and working along side Coach for several years at Gilmer Junior High. He was always a pleasure to be around, and I knew I could call on him for anything I needed. When I think of him, I think of the positive influence he had on so many children (and his fellow educators) during his long career in education. He definitely left his mark on the lives of many. My thoughts and prayers are with his family.

“ Whether as a phenomenal teacher/coach, an upright member and role model in the community; or whether for his bigger than life laugh, low key sense of humor or his N'awlins cuisine; my family and I remember Henry Jackson and celebrate the impact of his amazing life. To Shirley, Karen, Kendall (aka my other son), all the grands, great-grands and family, we send our love and prayers for comfort and peace.

“ *Coach was one amazing man. Always there to correct us if we needed it but also right there to help us too. I will never forget him walking the halls with his board in his back pocket. The new kids were always scared of him at first. The ones of us who had grown up around him just looked at him as a big teddy bear. No one ever wondered if he cared about his students because he made sure to tell us how much he did. Love you Mrs. Jackson and Kendall*

“ *It was a great honor to have worked with and known Henry. His wonderful care for others and his typically gentle but directive coaching, I will always remember.*

“ Uncle Henry was a beast with a road map! Uncle Henry sat down with me and mapped out a specific route from Long Pine back to Aurora Colorado. In his Uncle Henry voice he said Leesh call us suga and let us (Aunt Shirley) know when you make it back home. I got home in record time! What would have taken me 14 hours easily but I made it home in 12! He was better than GPS!!!

“ I have many memories with Uncle Henry. We use to go fishing a lot when I spent the summer in Long Pine. He taught me a lot about being the man I am today. He always had a story to tell. I will miss him very much but not forget the man he was. Love Jug a syrup!!!
