I want everyone to know how wonderful McWhorter Funeral Home was to me before, during and after the passing of my mom. They truly are there for the family in every way. David and Leward are forever a part of our family now. When Leward came to pick up mom from Treviso after her passing, he ask if I had any questions and I ask him what was he going to do now and he said "I'm going to treat her as if she were my mom" I replied "That's what I needed to hear and so I'm ready to let her go". We hugged as I left her room and was at peace. David and Leward make a special effort to remember you on a personal bases. They address you by name and even recall your family members name. Very amazing they are. They go above and beyond. Thank you again and again. With Love, Penny

Laverne; it will be 39 years in Aug that I became a part of the Ford Family and the word Welcomed describes it perfectly. My mom always felt so welcomed any time she was invited for the Holidays and special times we all spent together. Thank you for your love and support. Penny

Candy; You know from experience what it is to be without your mom and I'm sure not a day goes by that you don't think of her. You too were her caregiver to the very end and you both were blessed to have that time to say goodbye. With each passing day I'm discovering how much I learned from her in the last three months. Thank you for your friendship. Love, Penny
