

Jack Allen

September 20, 1956 - September 23, 2021

Funeral services for Jack Allen, 65, of Gilmer, are scheduled for 10:00 am, Tuesday, September 28, 2021, in the Chapel of McWhorter Funeral Home. The family will receive friends at 9:00 am, prior to the service.

Jack was born September 20, 1956, in Parkersburg, West Virginia to Clarence Albert and Hallie Justine Metz Allen and passed from this life on September 23, 2021, in Longview, Texas.

Jack married Pam Anderson, December 28, 1984, in Vega, Texas. He was proud to have had over one million miles accident free during his career as a truck driver and spent recent years working as a carpenter with Wholesale Brokers.

He was a family man who always worked hard. He was compassionate and would help anyone in need. He would stop on side of the road to save a stray animal, or find a way to shelter homeless people. His biggest passion in life was hard work, his family, and his kids. His kids, his grandkids and his great grandkids. Right up until his death he was eager to give and visit his great grandbabies showering them with love, toys and whatever else he felt they needed. He made friends easily and was a great story teller. Man did he love to share stories from his childhood days of how much harder it was back in those days. His stories of how he saved the day in some catastrophe. He lit up when sharing these stories, and oh how crazy exaggerations he would make to embellish those stories too. Sharing once how he had a yacht, but yet it was a was a worn out little house boat of a thing. He always had some

project in the works. Most he never finished but he had such creativity to venture out doing all these projects. From ceramic painting to washing 18-wheelers, owning restaurant, breeding dogs, purchasing run down buses or cars with intentions to fix them up and make them better, breaking horses and constantly building on his home, he was never without some kind of work going. In his free time he loved to hunt and fish. Travelling to his home area of West Virginia each year to go hunting with his brother(s) was one of his favorite things to do and some of the only times he wasn't doing something for someone else.

Those left to cherish his memory are his wife, Pam Allen; children, April Simmons (Jason), Michael Allen (Melissa), Adam Brown (Tiffany), Jeannie Hurst (Shannon), and Hallie Jones; siblings, Paul Allen, Mary Williams, Harold Allen, Betty Kelly, Alice Allen, and Dorothy Metz; 17 grandchildren; and 5 great grandchildren.

He is preceded in death by his parents; and his brothers, James Clarence Allen and Carl Edward Allen.

“ *I had all kind of memories of Jack
He was my favorite person to talk to
Love to hear all his stories working for the trucking company and
growing up around his Dad
He said back I the day .. when he was young
He would whip anybody that messed with hime or his
Siblings.. he was the nicest , kindest and tender hearted person I
have know .. he would help anybody
Even if it cost him his last dime
He loved life and jokes and for sure his wife and the children and
grandchildren and especially his doggies
He was just like my husband and had the same qualities and were
best of friends
So I know he is in Heaven with him and many others
Enjoying eternity.. we will all me with them some day
But will truly miss him so much ..
Love you always Jack my heart is broken but I know for sure you
are with the lord .. love ❤️ Cindy Peck*

Wait till you see the pictures of him swimming with more babies. Hallie and 2 other kids not related. They were kids they babysat. That was his element. Getting on their level playing around.
