“ I loved Jackie from the second I met her. Bless her heart, she'd cry and I'd take her to the sofa in the TV area of the unit... put my arm around her and she'd lay her head on my shoulder. I'd then gently stroke her forehead and her hair... she'd calm so quick. I loved my time being her nurse, and know she's smiling now in Heaven. No more tears my sweet girl. I'll always love and remember you... till we meet again ❤️

“ My sister Jackie was a special kind of girl. We shared lots of good memories through the years. One special time was when she and Dean took me, Junior and David to Fort Davis. We were amazed at how beautiful it was. She was loved by many and will be missed dearly.
