“ To Jamie and to the entire Hogue family and friends: Mr. and Mrs. Hogue were really wonderful people. I'm very grateful that I had amazing opportunity to know them. They were like family to me. They will be greatly missed but never forgotten. To the family and friends: "If tears could build a stairway, and memories a lane, I'd walk right up to Heaven and bring you home again."

Although it's difficult today to see beyond the sorrow, May looking back in memory help comfort you tomorrow."

“ Sherri is my husbands twin sister. He loved her so much. He said she was my best friend. We had so many memories of her and James. We went to the fair in Greenville one year and had the best time. We went to celebrate their birthdays when we were all younger. We all told stories about when they were little and laughed. When we got together it was loud in the room cause everyone talked loud. That's ok cause we laughed a lot. The best time is when they came to eat Thanksgiving dinner with us. We had a house full and lots of good eating. Larry and I will miss them so much. I know they are in Heaven with their loved ones but our hearts are broken. Larry, Jeanie
