“ James was like a big Brother and Brother-in-Law to me. To me he was always laid back and easy going. The 35 years that I have know him, I don't think I have ever really seen him mad. He was a very good man and I will miss him dearly. James and Ollis were always good to me. I miss and love them both, until we meet again, Dale and I will see ya'll in Heaven with our Heavenly Father.
