“ I was fortunate to meet him through working at the Christus hospital. He always had a funny greeting for me in the elevator, hall, or wherever I saw him. He would find something funny to say and we would both get a good laugh. I think he knew working in a hospital can be very tough and he just wanted to make people smile. He was very good at making people smile. I could have just left a very sad situation in a room and then see him in the hallway, and all of that sadness went away. One time he called my pizza “ugly” that I had at lunch. 🙏 I am deeply sorry for his family for his passing. I am very thankful for all of the laughs he gave me and other hospital staff. Sometimes those laughs were the best part of my day. ❤️ rest in peace Mr. Hank.

“ I only met Hank in the fall of 2022, when he started supervising the work at Christus Good Shepherd. Everyday, whenever I saw him, he would say "hey girl!". He had a great sense of humor, and would cut jokes with everybody. We were so sad to hear he had passed, we hoped that we would see him again soon. He's going to be greatly missed

“ I did not know Hank well, but what I did know was that we loved his wife and his dogs. He continued to even love his dogs he found new homes for and that is how I met Hank. I was lucky enough to get to give a new home to our Augustus aka Gus. Hank kept up with Gus and came to see him compete in Rally and Obedience and was just and proud of him as if he was still his dog. I enjoyed letting him know how Gus was doing.

“ I can't believe my friend Hank is gone. The one that could always make me laugh no matter what. He was one of the sweetest, funniest folks I have ever met. He made me feel like part of the family. I loved all of the times that he and Kerry and friends, and I shared. He was taken from us too soon. I will not question God's decision to bring him home but I will say that I am going to miss him and I'm going to miss his smile. He was one of a kind. One of the good ones. I know it will be hard for his wife to move on without him in her life. I know he truly loved her and she truly loves him. They are a very special couple. Fly high Hank and know that the people you left behind Love you and will miss you terribly. I have lost a special friend. I'm sending love and condolences to your family. I want Kerry to know I'm here for her if she needs me as you would want me to be. And until we meet again, my friend, I will hold a special place in my heart for you forever.

“ Hank said if my mouth is moving you know I'm picking on you. I only pick on the ones I like. He was most proud of how much he and Keri loved each other and they could trust each other completely. Love, prayers and peace for the family.

“ I was so sad to hear about Hank. He was always such a joy to talk to. I am the Project Coordinator at HGR so I had to help Hank out with anything technology related. He was so funny. He always said his wife did all his technology things so it was hard for him to learn how to use his new phone and ipad lol. He told me many times how much he appreciated and loved his wife. I could tell they were very close. Today I am praying for her and his family. I know he will be missed dearly. Heaven gained an angel. He would have said a "grumpy" angel. :)

Fly high Hank!

*Unfortunately I did not know Hank well, however what I know is that he was the loveliest man.
The love that Kerry and Hank share is one that dreams are made of. I only hope that Kerry's loving spirit will guide her through these darkest days.*

Hank would always make his rounds every morning. He would show up on Friday with a couple dozen donuts and make his rounds. Well I showed up with donuts on Thursday one week just to mess with him. He said what are you doing. I told him I was stealing his thunder this week. He called me something that if you knew Hank you understand. We laughed and I made his rounds with him. I never took credit for it! Hank was probably the BEST FRIEND I EVER HAD! Fly High Buddy!

After reading the other tributes of Hank, I can't find the words to express the joy he contributed to our family. His knowledge and construction of many buildings in the East Texas area was remarkable. His most recent claim to fame is the Melinda Lambert store in Lindale, the restaurant and most all the buildings in that complex. He and my late husband took a whole wall out in our house to give us the "open" area that is so popular these days. Hank you were a gentleman and had a great sense of humor. We love you and will miss you. We will take care of Kerry for you. Don't know about them dogs though.

Kerry, my heart breaks for you and your loss. I never got back to Longview to get to know Hank. But I never worried about you because I knew he would take care of you. You two had a wonderful love and a special bond. I'm praying for God's peace over you. Love you dearly, Rebecca (aka Becky :-)
