“ *I have known Jane for a long time because we attended school together in Jefferson. She and I reconnected in the last few years and had lengthy phone visits. What I loved about Jane was that she was honest and a true friend. I regret that I did not get to reunite with her in person, but I look forward to again in Heaven.*

“ I met Jane when her twins Ashley and Allison started to school at Harmony and they rode the school bus route I drove. She and her kids were always nice and respectful people whom I enjoyed working in association with in this capacity. All of you are in our thoughts and prayers in her homegoing.

Prayerfully,

Charles and Charlotte Johnson
