“ Dear family of Nanny,

First of all, our heartfelt condolences now that your mother, grandmother has passed away! Thank God she is with Him now!

Nanny, that's how we called her speaking about her here in The Netherlands.

We think with very warm feelings of Jean.

When we first came to her years ago we were a bit confused about the rest and peace she showed! The situation wasn't always relaxed but Nanny gave her love to every person in the house.

Also we remember our journey to Hans with Adalyn as a little baby.

Jean went with us because Adalyn still didn't know her grandparents from Holland. And we either didn't know Jean really but also at that time she cared for Addie with whole her heart and it was peaceful being together. She trusted us, thank you Jean!

Every time, once in a year and a half, when we came to Hans and the children, she invited us for dinner. That was always a very warm welcome together with Alicia.

It is ashame that we could never meet her again because of Corona. That's what we regret very much all the last years!

Dear family, we are with you in mind when the funeral is and will pray for you!

*With kind regards,
Wessel and Greetje Bos*
