“ *Ms Karen and Cydneigh,
We are heartbroken for your loss of Mr. Jerald. Every time we came to Gilmer he was so kind and caring. The video brought back so many memories from the times Riley and Will spent with everyone riding and sharing a love of horses and of course Yamboree carnival rides and the parades. We are sorry that we can't make it today, but please know our hearts, thoughts and prayers are with you all during these hard times.*

Karen, my heart goes out to you and the Walton family. I had the pleasure of knowing the Walton Family when I was hired on in the year 1965 at Safeway where Jack Walton, his dad was our store manager. When I heard about this on the news, I kept telling myself its not the Jerald Walton I know, it just can't be, but I learned the next day it was. Randy, Jerald, and Debbie were well known to the Safeway Employees, and we loved them as our own. Jerald will be missed by all who knew him.
