

Mr. Jerry Wesley Haigwood

March 25, 1949 - April 21, 2017

"Although we are apart, we remain a team until we meet again."

Jerry Wesley Haigwood

March 25, 1949 – April 21, 2017

Services will be held to honor and remember the life of Jerry Haigwood, 68, of Diana on Wednesday, April 26, 2017 at 1:00 p.m. at the Gilmer Church of Jesus Christ of Latter-Day Saints with Bishop Coulter conducting. Interment will follow at Kelsey Cemetery in Gilmer. The family will receive friends for visitation on Tuesday, April 25, 2017 from 7:00 p.m. to 9:00 p.m. at McWhorter Funeral Home.

Jerry was born March 25, 1949 in Walnut Ridge, AR. He died peacefully surrounded by family in the Methodist Dallas Medical Center on April 21, 2017. He lived with zest and optimism in the years between.

He is survived by his wife, Patsy Jane Keaster Haigwood, who was his other half and teammate through life. His legacy left an amazing family: daughters, Michelle Haigwood; Keri Lillie and her husband, Steve; Jamie Coleman Cannalte; Tami Denton Phelps and her husband, Leland; Lena Larson and her husband, Stephan; and Kim Perry and her husband, Clarke. His daughters loved and cherished him for his gentle spirit and devotion to his family.

He was loved by his grandchildren: Jessica Barbu, Jay Schnell McChesney, Jacob Schnell, Juliana (Daroldette) Schnell, Josh Davis, Haleigh Cannalte, Hayden Cannalte, Harrison Coleman, Tyler Denton, Mikenna (Kenna) Abplanalp, Breanne (Bree) Denton, Andrew Denton, Logan Denton, Taylor Phelps, Lee Phelps, Sterling Phelps, Tony Phelps, Isaac Phelps, Audra Larson, Emma (Emmie) Larson, Riley (Yiley) Larson, Dahlia (baby face) Larson, Alec Perry, Kali Perry, and Libby Perry. There are also 5 great grandchildren, Lily, Piper, Marley, Ivy, and Westley.

From humble beginnings, he worked diligently to create something more for himself and earned a Bachelor's Degree in Computer Science and a Master's Degree, specializing in aerospace engineering. Indeed, many of us owe our ability to travel long distances in a short period of time by his work on flight control programming for Boeing. Jerry was an avid ham radio operator licensed with the highest distinction, Amateur Extra Class. Merging his engineering background with his ham radio passion, he developed Morse code radio paddles – he called them the Black Widow and sold them to operators across the world, even to someone in the Antarctica! He was certified in emergency preparedness, teaching CERT education in Arizona. After his retirement, he was a substitute teacher at Diana High School. He loved his students and would often attend their Friday night football games.

Jerry was a member of The Church of Jesus Christ of Latter Day Saints. He had many callings over the years such as: Financial Clerk, Emergency Preparedness Specialist, and Veil Worker to name a few. He took his responsibilities as a home teacher seriously. Countless hours were spent with his companion visiting and counseling families, helping with their needs, and participating in community humanitarian projects. His last companion was his wife.

Jerry's last wish was for people to educate themselves on organ donation. He

believed that organ donation is a free and priceless gift, and that no monetary value can be ascribed to the gift of life.

Finally, the family would like to thank the Liver Institute of Methodist Dallas for their tireless care and efforts. They did everything humanly possible to maintain and extend his life in this world. They would also like to thank McWhorter Funeral Home for respectfully caring for and guiding the family through this difficult time, their church family for their love and support, and all of those special souls who have reached out to them in their time of need.

73, this is W5JH clear and monitoring...
